

Italian Custom Espresso Machines

Apollo

Apollo is the machine that Prima Musa created to express the excellence of craftsmanship.

In Greek mythology, the prophetic symbols of Apollo are the laurel, the bow and the arrows.

Italian Custom Espresso Machines

The Apollonian spirit is the indicator of human "relationship" which provides man with balance and pushes him to produce harmonious, comforting and rational forms.

Nietzsche - Concept

Apollo

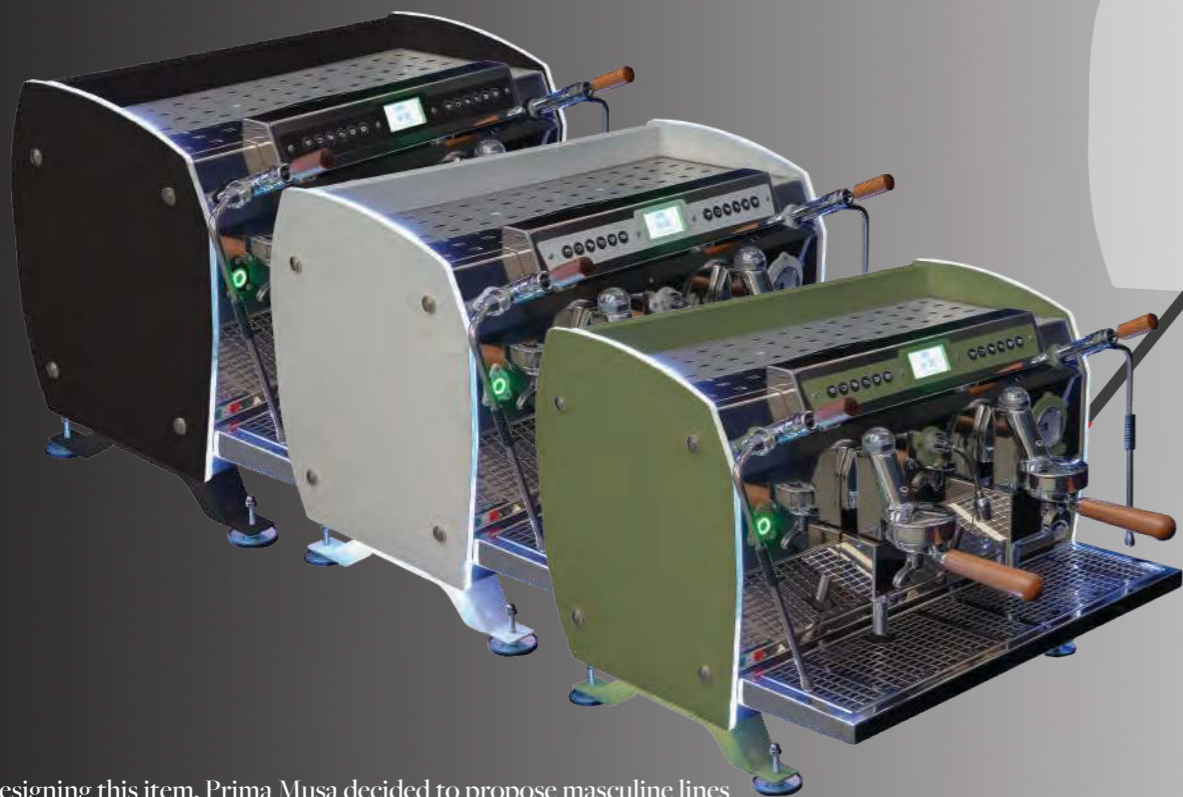

Standard colors Brown, White, Green, Leather

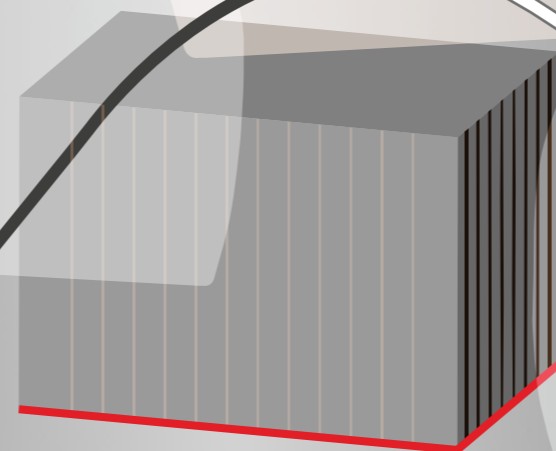

Removable worktop

Fine wood filter holder handles

In designing this item, Prima Musa decided to propose masculine lines that represent these stylistic characteristics in a classic and refined machine.

Fine leather finishes

Absolute elegance is represented by the finish of the side panels, handles and levers, which are powder-coated or covered in leather. The iron brand logo is a guarantee for both manual production and high quality production.

Data Sheet

	APOLLO	
NUMBER OF GROUPS	2	3
TEMPERATURE PROBE	YES	YES
BOILER CAPACITY	14 Lt	21 Lt
WORK PRESSURE	0,9 ÷ 1,2 bar	0,9 ÷ 1,2 bar
ELECTRICAL RESISTANCE	4.500 W (230 - 400 V)	6.000 W (230 - 400 V)
ELECTRIC MOTOR	150 W - 230V	150 W - 230V
PUMP	150 Lt/h	150 Lt/h
PUMP PRESSURE	9 ÷ 13 bar	9 ÷ 13 bar
DISPLAY	GRAPHIC LCD	GRAPHIC LCD
TEMPERATURE CONTROL (PID)	YES	YES
BOILER WITH DIGITAL REGULATION (PID)	YES	YES
ON / OFF PROGRAMMING	YES	YES
DIMENSIONS (L x P x H)	72x58x54	92x58x54
WEIGHT (Kg)	76	87

Features

- Copper boiler with thermosiphonic circuit
- Boiler temperature stability control with PID system
- Low lead content brass fittings
- Daily ON / OFF programming
- E61 thermocompensated groups
- LCD graphic multifunction display
- Copper pipes
- Brewing with pre-infusion
- Dispensing dose programming
- Rest day programming
- Powder coated body
- Boiler temperature on display
- Boiler water level on display
- Double scale pressure gauge
- Finishes in fine wood
- Handcrafted leather finishes
- Removable work tray
- LED lights
- Personalization
- RAL colors on request
